Description

This 520 m² residential plot is ideally located in Geri, Nicosia District, just 940 meters southwest of the Geri Municipal Center and 110 meters south of Anexartisias Avenue.

The property offers an excellent development opportunity in a quiet, yet accessible residential area, within close proximity to supermarkets, schools, restaurants, and other essential amenities. Its regular shape and level topography make it ideal for construction. The plot benefits from road frontage of 20m and provides easy access to surrounding areas and the city of Nicosia.
